BAD! BAD!

Bad blood comes from bad digestion—bad stomach, bad liver, bad kidneys—attended with bad, foul breath, conted tongue, bad taste, bad headaches, bad appetite and kindred symptoms. Bad as these all are, and serious as are the diseases to which they lead, Dr. Pierce's Golden Medical Discovery comes to the relief and cure of all these by regulating and invigorating STOMACH, LIVER, BOWELS and KIDNEYS, and putting all these organs in good order.

"Golden Medical Discovery" contains no alcohol, opium or other harmfuldrugs; neither does it contain sugar or syrup, which are injurious to some stomachs. Without any of these it retains its pleasant taste and marvelous healing qualities in the most trying climate. Don't let a selfish medicine seller cheat you out of your health by giving you a substitute. He's only looking out for a larger profit, not for your good. Shun him, Honest, unselfish dealers recommend the "Golden Medical Discovery."

"That your remedies are not for the few, but for the many is evident, for I personally know of many is evident, for I personally who have been restored to health and strength by your medicines." thas writes Henry Landshoft, Esc. Alderman in 17th Ward, Buffalo, N. Y. of 1234 Jefferson Street. "I know that Dr. Pierce's Golden Medical Discovery is most valuable in cases of derangement of the liver, having taken the medicine some two years also when I had a bad attack of liver trouble, and I never used a medicine some two years also when I had a bad attack of liver trouble, and I never used a medicine some two of the medicine some two of the medicine some two years also when I had a bad attack of liver trouble, and I never used a medicine before that did me so much good. I have known Dr. Pierce for twenty-six years, and do not wonder at his success, for he is a physician and man of stering qualities, is possessed of extraordinary skill, and he has possessed of extraordinary skill, and he has in his Sanitarium a corps of specialists who are chosen because of their unusual knowledge and professional skill."

WASHING WITHOUT WATER

Is like Trying to Get Rid of Dandrung Without Herpicide.

Did you ever see any one trying to wash themselven without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of Dandrung and to prevent Baldness by feeding the perms which cause it, with Canthraides, Vaseline, Glycerine and similar substances which form the principal incredients of most socialled Hair Vigors.
